**ONN Webinar: Understanding the New Ontario Not-For-Profit Corporations Act (ONCA)**

The Ontario Not-For-Profit Corporations Act (ONCA) is due to be proclaimed in the fall of 2012. Many organizations however, will have great difficulty using the Act and face the risk of it destabilizing the governance mechanisms of their organizations. ONN submitted its [proposed amendments](#) along with a letter to the Minister of Consumer Relations requesting a meeting to discuss the Act.

In the meantime, ONN is holding a webinar on the ONCA to help you better understand the basic features of the Act, and how it will affect your organization, both with and without our proposed amendments. These sessions will provide you with a sufficient overview to begin transition planning.

This webinar series will be hosted by the ONN and presented by ONN Policy Advisor, Lynn Eakin. This information is best suited for Executive Directors, Board Presidents, Treasurers and Secretaries but all are welcome to join. Spaces will be limited.
